Dear Mr. Nomellini:

It has been noted by the Delta Protection Commission (Commission) that the Central Delta Water Agency/Reclamation District(s) have not had an appointed representative on the Commission since the resignation of Mr. Michael Scriven (RD 548) on December 18, 2006 (see attached letter of resignation).

To fulfill the intent of the Delta Protection Act that the stakeholders of the Central Delta have a voice on matters initiated and considered by the Commission, it is requested that you take the steps necessary to appoint a representative to fill this vacancy.

The Commission appreciates your attention to this matter and looks forward to once again having representation from the Central Delta. Linda Fiack, Executive Director is available to work with you to address this void and to ensure representation of your stakeholders on the Commission.

Sincerely,
